# About us

Meta Future Hub. deals in Crypto currency, forex and other many businesses Cryptocurrency can be used to trade currency pairs and does not need to be done through a forex broker. However, if you reside in a country where the brokers that offer the service are unavailable, you'll have to use the services of regulated cryptocurrency exchanges and forex exchanges to conduct your trades. Yes, you can trade spot Bitcoin, Ethereum, Litecoin and Ripple with fixed spreads, low margin, competitive financing, and reliable trade executions. Cryptos are available on the FOREX.com and MT5 platforms, but not the MT4 platform.
